### 2009 Recognized Instructor Application

Cochrane & District Agricultural Society (CDAS) requires all instructors teaching students for compensation on the cross country course or within the dressage or stadium rings located in the north portion of the CDAS property to meet the following criteria annually:

1. Must be a current member of CDAS
2. Must provide proof of Instructors Liability Insurance
3. Must pay \$75 instructor application fee
4. Must complete instructor application & release.

Recognized CDAS Instructors are required to schedule instruction times with the Operations Manager at least 4 Ag Society business days prior to entry of the park for said purpose.

Recognized CDAS instructors are responsible for & required to submit a complete roster of students for each session & payment of required fees for any student. Instructors are required to collect CDAS releases from each student annually.

Any student who is a member of a CDAS recognized "User Group" or has a current season Cross Country Riding Pass is exempt from the daily cross country fee of \$25. You must confirm the list of exempt students with the operations manager.

The sole purpose of the "Recognized Instructor" is to instruct students. Any schooling of horses by an instructor at anytime is subject to the Cross Country Course use fees.

Recognized CDAS instructors along with their students are required to adhere to all applicable CDAS policies and rules(attached). Instructors are to make sure gates are closed and locked upon exit of grounds unless other arrangements have been pre-approved by the operations manager.

I have read and agree to the terms and conditions of the Cochrane & District Agricultural Society as stated above. I understand that any breach thereof may result in the immediate termination of my privilege to instruct on CDAS grounds.
